Re: Topaz Mining Properties
ACT/023/003

Dear Ken:

I am sending you copies of this Division's recent communications with the State Archeologists' office regarding Brush's mining operations on the State leases. We are proceeding with the required environmental assessment for these two sections, and are presently waiting for some environmental information from the BLM and the Division of Wildlife Resources.

Very truly yours,

DIVISION OF OIL, GAS, AND MINING

BRIAN W. BUCK
ENGINEERING GEOLOGIST
